

## BLUE PROGRAM

### BLUE PLUS PROGRAM

#### Engine (gas or diesel)

Cylinder block, crankshaft and bearings, pistons, piston rings, connecting rods, camshafts, cylinder heads, valves, valve guides, valve springs, rocker arms, push rods, hydraulic valve lifters, front cover, timing chains, sprockets, balancing shafts, valve covers, oil pump, and including head gaskets and seals.

#### Engine - assisted / unassisted electric system

Electric motor / generator, charge reversing converter, electric water pump, vehicle control device, power distribution device, converter (DC-DC) / electrical box. \* Batteries not included.

#### Turbocharger or supercharger

Carter, all internally lubricated parts (in case of internal damage), and that said part was installed at the factory by the manufacturer only.

#### Transmission (manual or automatic)

Housing, oil pump, oil pump rings, valve housings, torque converter, vacuum modulators, regulators, internal main shafts, clutches, belts, drums, gear assemblies, inner bearings, chain, sprockets, universal joints and bushes.

#### Differentials (front and rear)

Housings and all internal parts, front and rear axles, universal joints, crowns and sprockets, crown and sprocket bearings, sprocket, positraction unit, satellites, yokes, transmission shafts and support bearings, transfer case support mounts, all gaskets, filters and rings.

#### Transfer Case (4X4)

Case, gear sets, drive chain, internal main shafts, sprocket, inner bearing, bushings, all internally lubricated parts (in case of internal damage).

#### Wheel Bearings and Homokinetic Joints

Wheel bearings and homokinetic joints (axel cv joints) (in the event of major failure only).

#### Steering components

Housing and all lubricated internal parts, rack and sprocket and all internally lubricated parts, power steering pump, main and intermediate shaft (for major breakage only).

#### Cooling system

Water pump, hydraulic fan clutch, thermal fan switch and electric fan motor.

#### Brakes system

Master cylinder, hydraulic power brake assembly, brake cylinders, brake caliper and pistons, brake compensators, brake lines and backing plates.

#### Electrical accessories systems

Starter, alternator, front and rear windshield wiper motors, front and rear windshield washer pumps, heater fan motor.

#### Seals and gaskets

All gaskets, seals and filters are included in the covered parts 1 through 4 above in the case of a necessary repair related to a failure which caused a breakdown of the Vehicle and said part is expressly covered by the chosen program.

#### Air conditioning and heating system

Compressor, condenser, evaporator, expansion valve, the following parts are covered when necessary for the repair or replacement of a qualifying part above: thermostatic expansion valve, dryer reservoir, oils and coolants (for manufacturer's original parts).
