

SILVER PROGRAM (Motorcycles, ATVS and Side-by-side only)

GOLD PROGRAM

PLATINUM PROGRAM

<p>Engine Cylinder block, cylinder head and all lubricated internal parts, including crankshaft and bearing bushes, balances, pistons, shafts and segments, connecting rod and bearings, camshaft and bushings, valves, valve guide and springs, seats valves, rocker shafts and rocker arms, rocker rods and push rods, oil pump, oil tip, intake manifold, diaphragms, thrust washers, valve seats, valve seals, valve covers, anti-harmonic vibrator (timing chain and sprockets (gears) distribution), timing chain guides and tensioners, flywheel timing chain cover, engine mount, pulley, follower rollers, exhaust manifold, engine mounts.</p>	✓	✓	✓
<p>Transmission Housing, all lubricated internal parts including oil pan, sprocket, gear bearings, forks and synchronizers, transmission mounts.</p>	✓	✓	✓
<p>Differential (front and rear) Transaxle / housing, differential covers and all lubricated internal parts of the final drive including forks (driveshafts, support bearing, transfer case mounts), axle shaft, universal joints, crowns and pinions, pinion bearings and crowns, gears, positraction unit.</p>	✓	✓	✓
<p>Transfer case Case, motor encoder, switch, four-wheel drive control system, actuators, sensors, all internal lubricated parts (in case of internal damage), front hub coils.</p>	✓	✓	✓
<p>Electrical accessories systems Fuel injection and / or electronic ignition control unit, electric starter, alternator, magneto, switches (headlights, stop lights, parking lights, turn signals, horn), wiring harness, starter solenoid, ignition coil, rectifier block, choke, rotor (including assembly), voltage regulator, ignition switch (including cylinder), cruise control switch, cruise control module.</p>	✓	✓	✓
<p>Cooling system Water pump, hydraulic clutch of the fan, thermal contactor of the fan and electric motor of the fan.</p>	✓	✓	✓
<p>Oil injection system Injection pump, injection control gear, oil tank, level sensor, lines, injection dosing system.</p>	✓	✓	✓
<p>Chain guard components All internal lubricated parts including adjustment mechanism, chains, chain case, reverse gear, gearbox.</p>	✓	✓	✓
<p>Primary drive train components Housing, all lubricated internal parts, gears, bearings, chains and mechanisms.</p>	✓	✓	✓
<p>Secondary drive train components Secondary shaft, bearings, stationary and moving rollers, cam assemblies.</p>	✓	✓	✓
<p>Suspension (front and rear) Wheel bearings, all internally lubricated parts of the front forks and front hub, chassis, swingarm (including arm shaft), swingarm bearings / bushings, suspension arms, ball joints, rocket pivots (including pads and rocket).</p>	✓	✓	✓
<p>Ignition and fuel supply system Fuel pump, injectors, fuel tank (including tank components), flow regulator, metal conduits and fittings, fuel valve.</p>	✓	✓	✓
<p>Brake system Master cylinder, hydraulic brake booster, wheel cylinders, brake compensators, brake lines, brake pads, anti-lock brake system, drum brake control cam.</p>	✓	✓	✓
<p>Steering components Upper and lower steering column (including bushings), steering column shaft, tie rod ends, steering column (including end caps), bolt and column nut, handlebar, steering assembly to rack and pinion, intermediate steering lever (including steering arm).</p>	✓	✓	✓
<p>Turbocharger or supercharger Housing, all internal parts lubricated in case of internal damage (Manufacturer's original parts only).</p>	✓	OP	OP
<p>Seals and gaskets All seals and gaskets are included on covered components during a necessary repair related to breakage resulting in vehicle breakdown (seepage not included).</p>	✓	OP	OP
<p>Refund Applicable on terms of 36 months and over. If no claim is made within the term of the mechanical warranty, a similar warranty, at no cost, will be issued upon the purchase of the next vehicle for a comparable value and category or lesser.</p>	✓		
<p>Towing assistance, trip interruption and rental Towing, a maximum indemnity of \$ 100 per event in the event of a covered incident that does not allow travel on the road. Interruption trip, compensation of \$ 100 per day, maximum \$ 300, when the vehicle is under repair and is out of service more than 48 hours. Courtesy, a rental allowance of \$ 30 per day up to a total of 7 days, when the vehicle is under repair and is out of service more than 48 hours.</p>	✓	OP	OP
<p>Track drive Applicable only for ATV and side-by-side. Tracks (without nails only), drive shaft (including axle), drive sprocket, bearings, bushings, clamps and flange plates, crawler wheels, slippery rails.</p>	✓	OP	
<p>Luxury tourism package Only covered if the part on the Vehicle is the original Manufacturer's part. Audio system (speakers not included), CD player, GPS system, temperature indicator, digital dashboard components, heated seats, heated handles, heated footrest, winching set.</p>	OP	OP	
<p>24/7 Roadside assistance Maximum compensation of \$75 per event, maximum 3 service calls per contract. In the event of one of the following incidents: towing, battery boost, gas delivery, lockout services, tire changing, winching.</p>	OP	OP	OP
<p>No deductible Allows to avoid paying the applicable deductible in the event of an eligible claim covered by the warranty program.</p>	OP	OP	OP
<p>Trailer Option Applicable only for Snowmobiles, ATVS and Side-by-side. Covered only if the trailer is new, has a maximum loading capacity of 1000 pounds, has been purchased at the same time as the Vehicle and maximum coverage of \$ 1500 for the program: winch support, couplers, rods and springs, axles, brakes, master cylinder, hydraulic brake actuation, welds, roll cradles (excluding breakage or damage due to overload or bending).</p>	OP	OP	OP

KM+WARRANTY, ENJOY THE ROAD WITH PEACE OF MIND !
